Special Meeting To Determine New Date/Location Of Yellow Rose Futurity

Meeting Minutes

Roll Call

- All Executive Committee Members Present with Robin Klover-Treasurer and Don Falcon – Executive Director
 - I. Special Meeting Called to determine new date and location for Yellow Rose Futurity
 - Executive Director Falcon gave report detailing circumstances that occurred in Tulsa with the entire Pinto World Show being cancelled the day prior to our scheduled Yellow Rose Futurity.
 - Falcon gave report on number of horses entered and in attendance ready to compete.
 - Falcon reported he has had offers from other associations that have upcoming events that would welcome our event: Buckskin Association, Appaloosa Association and then the Pinto Color Congress this coming November. Lengthy discussion followed weighing all options with a recommendation by Falcon to hold the Yellow Rose within our existing Big Money Futurity in Fort Worth because both futurities have the same classes in the same non pro format. This would allow competitors to save on travel expense and stall/hotel fees to attend both futurities in one location.
 - Discussion followed to allow additional entries but at a higher rate than those who entered early in support of the event in Tulsa.
 - Motion Made to reschedule the Yellow Rose to be held within the Big Money Futurity in Fort Worth and to take additional entries at higher fees that increase each month with last option to enter by August 31. Second. Motion carried unanimously
 - Falcon stated he would secure two additional judges for the Yellow Rose so that results will not duplicate the Big Money placings.
 - No other new business at this time.
- Meeting Adjourned at 1:35 PM Central Time
