II. Review Color Clarification Proposal From WCHA Breeders/Futurity Committee
    - Falcon gave summary of discussion held within WCHA Breeders/Futurity Committee and concerns from WCHA Members that our current Solid Bred rule is discouraging participation from participants wanting to compete with color horses whose parents have regular registry. ABRA and PHBA have expanded their Breeding Stock registry to horses to include parents 3-4 generations removed from regular registry color horses.
    - The WCHA Breeders/Futurity Committee proposal is as follows to maintain the intent of the color classes within WCHA.
        - A color horse is one who is registered with APHA, ApHC, PHBA, ABRA and ARHA.
        - Beginning with horses born in 2027, a solid/breeding stock is considered color horse ONLY if the sire or dam has regular registry papers with one or more of the following breed associations: APHA, ApHC, PHBA, ABRA and ARHA.
        - A solid horse must be registered in the same color breed association as the parent that qualifies under this rule.
        - Motion By English to adopt this color rule recommendation from the WCHA Breeder's/Futurity Committee, Second By Perniciaro. Motion Carried Unanimously.

III. Report On Recent WCHA Judges Seminar Held In Las Vegas

- Falcon reported that the Halter Seminar was conducted within the AQHA Judges Workshop in Las Vegas. This was the second halter seminar conducted by WCHA this year, the first one held in Oklahoma City on May 18, 2025.
- 41 WCHA Judges attended in Las Vegas with an additional 100 All Around AQHA Judges. Falcon thanked Adam and Kelley Wainscott for preparing and presenting this informative program.

IV. Review proposal from WCHA Breeders/Futurity Committee to offer Do It Yourself Yearling Classes.

- Falcon presented proposal brought forth by Chris Page to have Do It Yourself Yearling Non Pro Classes within our futurity program, possibly within the Big Money Futurity.
- Discussion within the committee in favor of these classes with Falcon suggesting that a better fit would be to hold these classes within the WCHA Supreme Championship Show because of a better time slot.
- Falcon will work with sub-committee to develop set of rules for the class.
    - Motion by Perniciaro to hold these classes at Supreme Show in 2026, Second by English. Motion Carried Unanimously.

V. Review Candidates For Officer Onto The Executive Committee
