    - Falcon reported another successful Yellow Rose Futurity held within Pinto World Show in Tulsa. Falcon stated this is great venue for this event to showcase WCHA in new audience of participants. Judging was consistent led by Ronnie Casper who served as judge and assisted single A Judges who gained valuable experience to move into AA credentials when qualifications are met.
    - Falcon reported early entries into fall futurities are exceeding what was received in 2025 with nominations equal to 2025. Stallion enrollments are currently less than 2025. Judges are hired for fall events and Falcon stated the difficulty in getting judges that are not competing in the fall.
IV. Review of correspondence received by members of Judge's Committee.
    - Four letters of disapproval that recommendations made of Judge's Committee to approve 7 of 8 applicants were read and discussed. After further discussion Executive Committee stands by their decision to approve the top five applicants for AA credentials with

remaining three applicants to still receive singe A credentials with opportunity to advance. Executive Committee has final decision and responsibility of the association to approve judges that are capable of judging WCHA events competently. Past practice of WCHA has always been that WCHA committees are “Advisory Committees” to the Executive Committee. No further action is required.
