WCHA LONGE LINE CLASS RULES

1. This is a stakes class for yearling mares, geldings or stallions registered with AQHA, APHA or ApHC.
 - a. Entries must be sired by a stallion that is currently or was previously enrolled into the WCHA Breeder's Futurity Program in the past. (Over 300 stallions have been enrolled)
 - b. **Owner and Exhibitor Must be WCHA members.**
 - c. Horses **MUST** Be nominated prior to entering, yearlings that were not nominated as weanling can still become eligible for longe line class with a "performance only nomination" without penalty. See Performance Only Nomination Form.
 - d. Exhibitor changes are allowed up to 5pm the night before the class.
2. Exhibitors can enter both open or non pro division within the class. A non pro can enter the open division with a discounted entry fee of \$125 after entering the non pro class at fee based on date of entry. This will allow the non pro to compete for both non pro and open purse monies.
3. Horses will first enter the arena and compete in a conformation class and be placed, horses will then be excused to the end of arena and will be called out individually for longe line work. Depending on number of entries there may be two circles used for the longe line demonstrations.
4. **No refunds for any reason.** Horses may be drug tested and any positive test will result in suspension of all prize monies. Horses will be inspected and markings compared to registration papers.
5. Equipment: Horses may be shown in a regular or show type halter. For the conformation class a lead shank such as used in halter or showmanship classes may be used, no lip chains will be allowed. For the longe line demonstration the only attachment to the halter is the longe line. The longe line may not exceed 30 feet in length with a snap to the halter. It is permissible to use a longe whip, however, disqualification will occur anytime the exhibitor strikes the horse to cause forward or lateral movement at any time during the demonstration.
6. The purpose of showing a yearling on a longe line is to demonstrate that the horse has the movement, manners/expression/attitude and conformation to become a future competitor under saddle. A longeing demonstration lasting one and one-half minutes (90 seconds). The exhibitor will be given a "start signal" to present the horse at all three gaits (walk, trot, lope or canter) in both directions, any horse that does not exhibit these gaits in both directions will be disqualified. If a horse is playing on the longe line it shall not count against the horse, however, the judge will penalize for excessive bucking, or running off, stumbling, or displaying attitudes that are uncomplimentary to pleasure horses. Falling down will constitute disqualification. Exhibitors are encouraged to exhibit their horse making full use of a 25 foot radius. At the end of one and one-half minutes the signal will be given to signify the end of the demonstration.
7. **NO LEASES ALLOWED. Any late purchases will be asked to show proof of purchase and proof of transfer of ownership with breed association.**
8. Attire: Conventional Western Attire is mandatory: except if the prospect is considered to be a hunter prospect then conventional English attire is suggested.

WCHA Ranch On The Rail Rules:

- This class is intended as a rail class but individuals working off the rail will not be penalized, and in fact, riders are encouraged to use adequate space given the extension of gaits required.
- The ranch rail pleasure class measures the ability of the horse to be a pleasure to ride while being used as a means of conveyance from one ranch task to another and should reflect the versatility, attitude, and movement of a working horse. The horse should be well-broke, relaxed, quiet, soft and cadenced at all gaits.
- The horse should be ridden on a relatively loose rein with light contact and without requiring undue restraint. The horse should be responsive to the rider and make timely transitions in a smooth and correct manner. The horse should be soft in the bridle and yield to contact.
- The ideal ranch rail horse should have a natural head carriage at each gait. In all gaits, movement of the ranch rail pleasure horse should simulate a horse needing to cover long distances, softly and quietly, like that of a working ranch horse. This class should show the horse's ability to work at a forward, working speed while under control by the rider. Light contact should be rewarded and horse shall not be shown on a full drape of reins.
- The overall manners and responsiveness of the horse while performing the maneuver requirements and the horse's quality of movement are the primary considerations.

The following terminology shall apply:

1. Walk – The walk is a natural, flat footed, four-beat gait. The gait is rhythmic and ground-covering. As in all gaits, the horse should display a level, or slightly above level topline with a bright, attentive expression.
 2. Trot – The trot is a natural two-beat gait demonstrating more forward motion than the western jog.
 3. Extended Trot – The extended trot is an obvious lengthening of the stride with a definite increase in pace. The horse should be moving in a manner as if it were covering a large area on a ranch with an above level topline.
 4. Lope – The lope is a three-beat gait. The lope should be relaxed and smooth with a natural, forward moving stride.
 5. Extended Lope – The extended lope is not a run or a race but should be an obvious lengthening of the stride, demonstrating a forward, working speed. The horse should display an above level topline with a bright, attentive expression. **The WCHA Two Year Old Ranch On The Rail class will not ask for an extended lope.**
- Part of the evaluation of this class is on smoothness of transitions. A horse may be collected from the extended trot as the horse moves into the lope. The transition from the extended lope down to the trot is a transition to the seated trot, not the extended trot. Therefore, an extra cue to achieve this gait is expected. Horses that complete this total transition within three strides calmly and obediently should be rewarded. Horses that attempt to stop or do stop prior to trotting will be penalized. Judges expect to see horses that have been trained to respond to cues. To see these cues applied discretely and the horse responding correctly could be a credit earning situation. To rein a horse is not only to guide him but also to control his every movement. The best reined horse should be willingly guided or controlled with little or no apparent resistance and dictated to completely. Any movement on his own must be considered a lack of control.

Ranch On The Rail Penalties. A contestant shall be penalized each time the following occur:

1. Too slow/per gait.
2. Over-bridled.
3. Out of frame.
4. Break of gait at walk or jog for 2 strides or less.
5. Break of gait at walk or jog for more than 2 strides.
6. Break of gait at lope.
7. Wrong lead or out of lead.
8. Draped reins.
9. Out of lead or cross-cantering more than two strides.
10. Trotting more than three strides when taking lead.
11. Blatant disobedience (kick, bite, buck, rear, etc.).
12. Major disobedience or schooling.
13. Spurring in front of cinch.
14. Use of either hand to instill fear/ praise.

Ranch Class Apparel and Equipment: Attire and tack should be clean and presentable. Working tack is encouraged.

1. No hoof polish.
 2. No braided or banded manes or tail extensions.
 3. Trimming inside ears is discouraged.
 4. Trimming bridle path, fetlocks or excessively long facial hair is allowed.
- Equipment with silver should not count over a good working outfit. Silver bridles and saddles are discouraged.
 - It is suggested that competitors use a breast collar and rear cinch.
 - **Horses shown in the WCHA Two Year Old Ranch On The Rail class must be shown in a snaffle or bosal and be ridden two handed.**
 - Horses in an all ages class may be shown in a snaffle, bosal, or curb bit. When a bit is used, the mouthpiece must be at least 5/16" and not more than 3/4" in diameter measured one inch from cheek and must be smooth. Nothing may protrude below the mouthpiece such as extensions or prongs. A standard western curb bit must not be longer than 8 1/2 inches measured on the outside length from the top bridle attachment to the rein attachment. The port must not be higher than 3 1/2 inches with rollers and covers acceptable. Broken mouthpieces, halfbreeds and spades are standard. Split reins shall be used with all bits except that a romal is acceptable with a curb bit. Closed reins are not allowed except as standard romal reins or standard mecate reins which include a tie rope with snaffle bit or bosal. Curb straps are required for curb bits and the curb chains or straps must be at least 1/2 inch in width and must lie flat against the horse's chin. No wire curbs are permitted, regardless of the amount of padding or tape. Absolutely no iron will be permitted under the jaws.
 - Prohibited equipment includes tie downs, cavessons, gag bits, mechanical hackamores and running martingales.
 - Posting at the extended trot is acceptable.
 - Class shall work both ways of the ring at all requested gaits.
