

BREEDERS' CHAMPIONSHIP FUTURITY

ENTRY FORMS WITH RULES AND CONDITIONS

- We offer several classes within multiple divisions of competition, at first glance it might appear confusing, however if you first identify what type of competitor you are (Intermediate Non Pro, Regular Non Pro or Open) **“by reading the rules section”**, what classes your horse qualifies for it will simplify the process prior to filling out your form. **Please take extra time to fill in EVERY line on the entry form and PLEASE print legibly**, if your form is missing items or not readable, we can't process.
- An “Intermediate Class” applies to the exhibitor, not the horse.
- “Limited Class”, this applies to the horse in the two year old and three year & over classes. This year we've adjusted the Limited Horse eligibility, take a few minutes to read all the rules before filling out your entry form.
- See **rules on attire and changing of exhibitors** in the attached rules section.
- NO LEASES ARE ALLOWED IN WCHA.

WEANLING AND YEARLING ENTRY FORMS ARE ON PAGE 2, 3 & 4.

- Weanling Splits: 3 Splits: Junior-Median-Senior, Read Rules Section as to what the splits will be and when they will be announced.
- **Yearling Splits: Any class with 41 or more entries that check in by Sept 21 will be split, Jr/Sr.**
- Intermediate Weanling Classes: This class runs prior to the combined non pro/open class, pay Intermediate entry and then your entry fee into the regular non pro class is free and open is only \$50.00 but you must check all boxes, same horse/same exhibitor for all classes.
- All Color and OBE Classes Require Additional Entry Fees, They Run Concurrent.
- Page 4 lists the fees for the weanlings and yearlings. It's easy to follow your fees as you look across the page by the date that you are paying your entry.
- **Two Year Old “LIMITED STAKES”.....** Read Revised Rules For “LIMITED HORSE ELIGIBILITY”, Two Year Olds Must Be Nominated But Can Be Sired By Any Stallion That WAS EVER Enrolled With WCHA.
- **Three Year And Over “LIMITED STAKES” –** Read Revised Rules For “LIMITED HORSE ELIGIBILITY. Two and over horses Can Be Sired By Any Stallion That “Was Ever Enrolled” In the WCHA Breeder's Futurity Program. These classes include both open and Non Pro Competitors.
- **Drug Testing:** We will be running random tests on horses of all ages in both halter and performance classes, any positive test is grounds for forfeiture of all winnings and suspension of associations.

If You Have A Question We Are Here To Help You, However....99% Of The Time If You Read The Rules Section You Will Have Your Answer So Please Search There First !!!

WE MUST STRICTLY ADHERE TO DUE DATES WHEN YOUR ENTRY WAS POSTMARKED OR EMAILED WITH PAYMENT, WE SUGGEST YOU FED EX BECAUSE USPS IS NOT DEPENDABLE.

“HALTER RULES & CONDITIONS”

Read Prior To Filling Out Your Entry Forms !!

- **After 5pm on Sept 21st Exhibitor Changes From A Non Pro To An Open Exhibitor Is Not Permitted.** *After this time/date a non pro exhibitor can only be changed to another non pro who is a family member or an open exhibitor to another open exhibitor. The “only exception” to this rule is extreme injury or sickness to non pro exhibitor or if family emergency resulting in non pro to return home, an open exhibitor could then show their horse under hardship ruling. Abusing of this rule is grounds for forfeiture of purse money and/or suspension from the association !!*
- **Weanling Splits:** It will be important part of our new format of having three weanling age groupings to keep each class equal in size so that payouts are similar and class sizes are manageable for efficient judging. This will also create timely processing of results **and to provide more opportunities for exhibitors to compete with multiple horses.** Most importantly to reduce length of time in the arena for each class so that it is less stressful for these weanlings, many being shown for the first time. With classes of 60 plus entries this created hardships for both exhibitors and young weanlings. The following is how this new format of three splits will take place:
 - The Junior Split Will Be March 5th, Fillies & Colts born March 5th and later fall into the Junior Classes.
 - The split for the two earlier age divisions will not take place until horses check in at the futurity and will be announced two days prior to first weanling class, 5pm Sept 21st. Yes, we understand the concern that people want to know what split they fall into when they enter, however from studying past nominations vs entries received vs horses that actually show there is a large variance in many cases of 5-6 days. This final split from early to median will “most likely” be the last 3 days of Jan to first 2 days of February. If your weanling falls in this birth range make arrangements to show in either split but we will work with competitors through this process to be as informative as possible.
 - **With 3 splits there will be more opportunities for one exhibitor to compete with multiple weanlings,** here’s why:
 - ✓ If an exhibitor has two horses born in February that fall into the same middle split we give them the option of moving one horse UP into the older division and still be able to compete with both horses/same exhibitor. (Obviously if someone has two January foals they wouldn’t be able to show both in same class just as they wouldn’t if we had regular junior/senior splits as in the past.)
 - ✓ Furthermore, if someone has 2 juniors we will give them the same option of moving one up into the median division with same exhibitor.
 - ✓ Another option: if non pro didn’t want to move one entry into the older division is to change handlers from non pro to open exhibitor or have another family member who is non pro exhibitor show one of the entries in same division.
- **YEARLING SPLITS: Yearling Classes With 41 or More Entries “That Check In By Friday, September 20th Will Be Split Into Junior & Senior Classes” !!** Classes Will Be Split In Equal Numbers. (If One Exhibitor Has More Than One Horse Falling Into Late Split The Exhibitor Has The Option of Moving One Horse Up Into Senior Split.) **BY SPLITTING OUR YEARLING CLASSES THIS ALLOWS AN EXHIBITOR TO COMPETE WITH BOTH A JUNIOR AND SENIOR YEARLING !** Based on 2023 entries we had 65 yearling fillies entered and 59 shown so this would have been a split class. Yearling geldings we had 35 entries so would not be split, we will provide total number of entries after July 15 payments.
- **Dress Attire:** The WCHA Breeder’s Championship and Big Money Futurities are WCHA’s Showcase Events and held in conjunction with the APHA World Championship Halter Show, this requires appropriate “world show attire” for all exhibitors. (Jacket, tie, slacks for men, slacks & jackets for women)

- ALL HORSES MUST FIRST BE “NOMINATED” PRIOR TO ENTERING !!! Furthermore, To Be Eligible for Competition in Future Years Horses Must Be Nominated As A Weanling and Each And Every Year Thereafter, see exception for offspring of stallions never before nominated into WCHA Futurity Program in nomination forms for yearlings and older horses. “One Nomination For ALL WCHA and Big Money Classes”.
- **Non-Pro Eligibility:** Exhibitor has not shown, sold a horse for a third party, judged, trained or assisted in training a horse for remuneration, including commissions, nor received compensation for instructing another person in riding, driving, training or showing a horse, for five years previous to application for Non-pro membership. Payment of entry fees and/or expenses by anyone other than the Non-pro, his/her immediate family, or a corporation, partnership or other business entity in which the Non-pro and/or a member of his/her immediate family are the sole and only owner, shall be considered remuneration. A Non-pro cannot be an approved horse show judge for any association or have judged an open, 4-H or breed show for the past 60 months. **By entering every Non-pro exhibitor declares that they are in full compliance of WCHA Non-Pro requirements.** Violations will be grounds for forfeiture of all prizes, prize monies and of all fees paid and possible suspension from the association.
- **Intermediate Non Pro Eligibility:** Any Non Pro who has not won a World or Reserve World Title in AQHA, APHA or ApHC competition. The “Only Exception” is world/reserve titles in youth or AQHA Level 1 & 2. Immediate family members of WCHA judges and trainers are prohibited from competing in the Intermediate Non Pro division. If you enter the Intermediate class you are “required to enter the corresponding non pro and the open class”.
- Intermediate Non Pro Weanling Classes: Two All Age Weanling Classes, one class for fillies and one class for colts (stallions/geldings). **An Intermediate Exhibitor must also enter the Regular Non Pro class @ \$50 entry fee and the corresponding Open class for \$50.00, however the exhibitor must “remain the same”** or pay additional entry fees. If this entry wishes to enter in the color or OBE classes the additional fees must be included at the time of entry. **Review Schedule Of Classes because Intermediate Weanling Classes will be held separate from Open/Non Pro/Color/OBE classes to “Showcase our Intermediate Competitors”.**
- Intermediate Non Pro Yearling Division: If a non pro qualifies as an Intermediate Non Pro they can enter this division held within the Open/Non Pro/Color/OBE yearling class. **Intermediate Exhibitors entry fee into their corresponding Non Pro class is only \$50, and only \$50 Entry Fee Into the Open class.** If they wish to enter the Color or OBE divisions it is an additional entry fee.
- Owner-Breeder-Exhibitor Classes (OBE): In order to be eligible for Owner/Breeder/Exhibitor Awards, you must meet the following relationship criteria: Exhibitor is the owner, spouse, children, parent, stepchildren, grandchildren, sibling or legal guardianship of the original “breeder” of the horse entered.
- “Limited 2 Year Old & Limited 3 Yrs And Over Eligibility”: Horses that have NEVER WON a World Title in AQHA (Level 3), APHA, ApHC Are “Limited” And Are Eligible For Competition. **Exceptions:** Horses that have won SPB, Solid Color Class, Youth or AQHA Level 1 or 2 World title and/or any horse who won a world title in APHA/ApHC/AQHA “as a weanling” can still compete as a limited horse, Reserve World Champions are still eligible to compete in Limited Classes.
- **Special Nomination Rate For Two and Older Horses:** Even if a horse two years and older was not nominated prior years they can still be nominated and be eligible to compete this year. See nomination form.
- **Ownership Requirement:** Horses entered in a Non Pro class must provide registration papers showing horse is owned by the exhibitor or family member. **Leased horses are NOT eligible for competition**, furthermore if horses are transferred merely for non pro to compete and is later transferred back to original owner this may be cause for suspension from the association. **Fair Competition Within Our Non Pro Ranks Is Imperative !!!!!**

- **Setting Up for Inspection –** All exhibitors in the Open division and Non-Pro division that do not get their conformation horse set up and standing still long enough to allow the judge(s) to look at all 4 sides of the horse may be disqualified. - **Loose Horse –** any exhibitor may continue showing if:
 - at the judge's discretion the situation is safe for all contestants
 - loose horse is caught with minimal disruption
 - receiving assistance from only individuals in the ring
- **Disruptive Horse –** any horse that is disruptive upon determination of the judge(s) may be excused if thought to be a danger to the exhibitor, other exhibitors or other horses. If a horse causes another horse to get loose, the loose horse may continue to show without penalty as long as it is caught without further and lengthy disruption.
- **LEND A HAND RULE:** Upon completion of the judging, and exhibitors are retired to the rail, each contestant will be allowed to have **ONE** helper enter the arena to "lend a hand" by holding the horse, providing a bottle of water or cold towel and to join in the awards presentation with the exhibitor. A letter from the exhibitor's doctor verifying the disability must be submitted to futurity manager two weeks prior to competition before a Variance is granted. A designate handler or another non pro competitor to assist in this variance, no trainer can lead the horse through. The designated handler will assist after the judging is completed or if there is re-judging under individual judges but the "exhibitor" must set the horse up for inspection when required.

Upon inspection if any horse has abrasions on gums this horse will be disqualified.
- *When an entry is placed all parties hereby release World Conformation Horse Association, APHA and their respective directors, officers, members, volunteers, employees and lessors of premises from all liability, claims, losses or damages arising from injury, death and/or property damages occurring as a result of participation in the activities, (and participant's family, heirs, agents, representatives).*
