Big Money Futurity Rules and Conditions:

It will be an important part of our new format of having three weanling age groupings to keep each class equal in size so that payouts are similar and class sizes manageable for efficient judging. This will also create timely processing of results **and to provide more opportunities for exhibitors to compete with multiple horses**. Most importantly to reduce length of time in the arena for each class so that it is less stressful for these weanlings, many being shown for the first time. With classes of 60 plus entries this created hardships for both exhibitors and young weanlings. The following is how this new format of three splits will take place:

- The Junior Split Date For Both Fillies and Colts Will Be March 5th, weanlings born March 5 and later will fall into the Junior Classes for both Big Money and WCHA Breeder's Futurity.
- The split for the two earlier age divisions will not take place until horses check in at the futurity and will be announced by 5pm on Sept 23rd. Yes, we understand the concern that people want to know what split they fall into when they enter, however from studying past nominations vs entries received vs horses that actually show there is a large variance in many cases of 5-6 days. However, this split from early to median will "most likely" be the last 3 days of Jan to first 2 days of February. If your weanling falls in this birth range make arrangements to show in either split but we will work with competitors through this process to be as informative as possible.
- **With 3 splits there will be more opportunities for one exhibitor to compete with multiple weanlings, here's why:**
 - ✓ If an exhibitor has two horses born in February that fall into the same middle split we give them the option of moving one horse UP into the older division and still be able to compete with both horses/same exhibitor. (Obviously if someone has two January foals they wouldn't be able to show both in same class just as they wouldn't if we had regular junior/senior splits)
 - ✓ Furthermore, if someone has 2 juniors we will give them the same option of moving one up into the median division with same exhibitor.
 - ✓ Another option: if non pro didn't want to move one entry into the older division is to change handlers from non pro to open exhibitor or have another family member who is non pro exhibitor show one of the entries in same division.
- Exhibitors In The Big Money Futurity Must Qualify As "A Non Pro". A Non Pro Exhibitor has not shown, sold a horse for a third party, judged, trained or assisted in training a horse for remuneration, including commissions, nor received compensation for instructing another person in riding, driving, training or showing a horse, for five years previous to application for Non-pro membership. **Payment of entry fees and/or expenses** by anyone other than the Non-pro, his/her immediate family, or a corporation, partnership or other business entity in which the Non-pro and/or a member of his/her immediate family are the sole and only owner, shall be considered remuneration. A Non-pro cannot be an approved horse show judge for any association or have judged an open, 4-H or breed show for the past 60 months. **By entering every Non-pro exhibitor declares that they are in full compliance of WCHA Non-Pro requirements.** Violations will be grounds for forfeiture of all prizes, prize monies and of all fees paid and possible suspension from the association. **Youth Are Also Eligible To Compete As Non Pro's !!!**

Other Rules & Conditions:

- 1) Weanlings/Yearlings/Two Yr Olds are made eligible by the stallion owner or agent paying an annual stallion nomination fee. Only foals from stallions paid in "same" year are eligible for competition.
- 2) Offspring by nominated stallions must first be "nominated into WCHA Breeder's Nomination Program to being eligible for competition in Big Money Futurity and other WCHA events.
- 3) Two Yr Old & Three & Over Classes: Any horse that has won a World Title in AQHA (Level 3), APHA or ApHC competition are **not eligible** to compete. **However, horses that have won SPB (solid color class) or Youth, or AQHA Select and Level 2 World Titles or "any weanling that won a world title in APHA-ApHC-AQHA can still compete as a limited horse.** Any 2 yr or older class with less than 3 entries may be cancelled with entry and nomination fees refunded.

BIG MONEY FUTURITY RULES & CONDITIONS CONTINUED.....

- 4) All Exhibitors AND Owners of each entry MUST BE MEMBERS OF WCHA
- 5) **WCHA does not allow horse leases, sole or family ownership of a horse is required, furthermore if it is discovered that a horse was transferred into a non pro's name solely to compete in a WCHA event and later transferred back to original owner this is grounds for suspension from the association.**
- 6) Change Of Ownership: Horses can be sold at any time and new owner can compete with **\$50.00 Big Money Change Fee**, new owners and exhibitors of entry must be members of WCHA.
- 7) Weanlings will enter the pen by foaling date and judges will be notified that horses are lined up youngest to oldest in each line up.
- 8) 10% of entries will be retained by WCHA to help cover cost of arena rental, judges, awards.
- 9) Color Requirements: Each horse MUST provide proof of registration with APHA, PHBA, ARHA, ABRA or ApHC. Solids are eligible for competition.
- 10) Safety leads, safety cords, lip chains are eligible equipment, **HOWEVER upon inspection any area of the horse's gum that is raw is reason for disqualification. Excessive jerking on a lead shank either in or out of arena is grounds for disqualification.**
- 11) Refunds or Substitutions: Partial refunds with a signed veterinary death certificate, total amount paid less \$100 processing fee or owner has option to substitute another entry. No Other Substitutions or Refunds For Any Reason. APHA has separate rules for stall refund.
- 12) **Unsportsmanlike conduct** or any other form of misconduct that is irresponsible, illegal, indecent, profane, intimidating, threatening or abusive is prohibited by any person on the show grounds either directly or indirectly to a show official, judge, show management or other exhibitors involved within any WCHA sponsored events is strictly prohibited. Any violation will be grounds for permanent suspension from WCHA.
- 13) **LEND A HAND RULE:** After the judging of each class has been completed, and the competitors are excused to the rail, each contestant can have ONE helper enter the arena and "lend a hand" by holding the horse and/or bringing a refreshing bottle of water or towel. Helpers MUST be attired appropriately: Boots, Hat and Collared Shirt.
- 14) **Disability Variance Rule:** Any non pro exhibitor with physical disability that prohibits them from participating in "trot through" portion of the pattern may use a designated leader to take horse through the pattern, exhibitor will then take the horse prior to setting up for individual inspection. The designated leader may also assist once the judging is complete or if there is additional line up under each judge. A letter from the exhibitor's doctor verifying the disability must be submitted to futurity manager prior to competition before being granted a variance.

**** When an entry is placed all parties hereby release World Conformation Horse Association, APHA and their respective directors, officers, members, volunteers, employees and lessors of premises from all liability, claims, losses or damages arising from injury, death and/or property damages occurring as a result of participation in the activities, (and participant's family, heirs, agents, representatives).**

By "entering these futurities" all participants (owners/trainers/exhibitors) agree to read and be bound by all terms and conditions set forth.
