Big Money Futurity Rules and Conditions:

It will be an important part of our new format of having three weanling age groupings to keep each class equal in size so that payouts are similar and class sizes manageable for efficient judging. This will also create timely processing of results **and to provide more opportunities for exhibitors to compete with multiple horses**. Most importantly to reduce length of time in the arena for each class so that it is less stressful for these weanlings, many being shown for the first time. The following is how this new format of three splits will take place:

- The Junior Split Date For Both Fillies and Colts Will Be March 5th, weanlings born March 5 and later will fall into the Junior Classes for both Big Money and WCHA Breeder's Futurity.
- The split for the two earlier age divisions will not take place until horses check in at the futurity and will be announced by Noon on Saturday, Sept 20th. Yes, we understand the concern that people want to know what split they fall into when they enter, however from studying past nominations vs entries received vs horses that actually show there is a large variance in many cases of 5-6 days. However, this split from early to median will "most likely" be the last 3/4 days of Jan to first 4 days of February. If your weanling falls in this birth range make arrangements to show in either split but we will work with competitors through this process to be as informative as possible.
- **With 3 splits there will be more opportunities for one exhibitor to compete with multiple weanlings**, here's why:
 - ✓ If an exhibitor has two horses born in February that fall into the same middle split we give them the option of moving one horse UP into the older division and still be able to compete with both horses/same exhibitor. (Obviously if someone has two January foals they wouldn't be able to show both in same class just as they wouldn't if we had regular junior/senior splits)
 - ✓ Furthermore, if someone has 2 juniors we will give them the same option of moving one up into the median division with same exhibitor.

ATTENTION: Yearling Mare Classes Will Be Split Into Junior & Senior Classes"!! Yearling Mares with birthdates of Jan 1 – Feb 14th will be in the Senior Class, Yearling Mares with birthdate of February 15 and later will be in the Junior Yearling Mare Class. (If an Exhibitor Has 2 horses that fall in the Junior split they have the option of moving one into the Senior Class).

If 45 or more Yearling Gelding or Yearling Stallion entries "check in" by Sept 19th we may also split the class into Junior/Senior Divisions, however in past years we generally receive 20 or less yearling stallions and 35 or less yearling geldings.

Exhibitors In The Big Money Futurity Must Qualify AND Abide By "WCHA Non Pro Rules". A Non Pro Exhibitor has not shown, sold a horse for a third party, judged, trained or assisted in training a horse for remuneration, including commissions, nor received compensation for instructing another person in riding, driving, training or showing a horse, for five years previous to application for Non-pro membership. **Payment of entry fees and/or expenses** by anyone other than the Non-pro, his/her immediate family, or a corporation, partnership or other business entity in which the Non-pro and/or a member of his/her immediate family are the sole and only owner, shall be considered remuneration. A Non-pro cannot be an approved horse show judge for any association or have judged an open, 4-H or breed show for the past 60 months. **By entering every Non-pro exhibitor declares that they are in full compliance of WCHA Non-Pro requirements**. Violations will be grounds for forfeiture of all prizes, prize monies and of all fees paid and possible suspension from the association.

*** Youth Are Also Eligible To Compete As Non Pro's !!!**

*** All Exhibitors AND Owners of each entry MUST BE MEMBERS OF WCHA

By "entering these futurities" all participants (owners/trainers/exhibitors) agree to read and be bound by all terms and conditions set forth.

- 14) **Disability Variance Rule:** Any non pro exhibitor with a physical disability that prohibits them from participating in the "trot through" portion of the pattern may use a designated leader to lead the horse through the pattern, once the horse is through the "trot-through" the exhibitor will then take the horse prior to setting up for individual inspection. **A letter from the exhibitor's doctor verifying the disability must be submitted to show manager two weeks prior to competition before a Disability Variance is granted.** A designated handler assigned by show management or another non pro competitor to assist in this variance, no professional trainer allowed to assist. The designated handler will "stand by, no closer than 15 feet of the exhibitor without any verbal assistance to assist if exhibitor needs to be excused from the class. - D. After trotting, horses will be lined up head to tail for individual inspection by the judge.
