Big Money Futurity Rules and Conditions:

✓ Weanling Splits:

- ✓ **Senior Split Will Be Foals Born Jan 1 - Jan 31st ,**
- ✓ **Median Split Will Be Foals Born February 1 - March 4th**
- ✓ **Juniors Will Be Foals Born March 5th and later.**
 - **Exhibitors can move a horse up into the older split if they had 2 juniors or 2 medians so that one exhibitor can show both horses.**
 - **EQUAL Purse money in each split so if we end up with 25 in senior split and only 20 in median they still have as close to equal payouts as possible with the only exception being if one split has exceptionally large numbers or the other class with unusually small numbers or horses in the class.**
 - **Summary: By having splits announced early this will allow competitors to plan ahead knowing exactly which classes their horses will show in. This will be helpful to both breeders and those looking to buy a specific age foal to fit into a senior, a median or a junior thus allowing more horses to compete at our event.**

YEARLING MARE SPLITS: BY SPLITTING OUR YEARLING MARE CLASSES THIS ALLOWS AN EXHIBITOR TO COMPETE WITH BOTH A JUNIOR AND SENIOR YEARLING Mare!

- ✓ **Mares Born Jan 1-Feb 7 will be in the Senior Division,**
- ✓ **Mares Born Feb 8th and later will be in the Junior Division.**
- ✓ **“If an exhibitor has 2 junior mares they could move one mare up into the senior division.**
- ✓ **This split would also apply to geldings or stallions if we had over 40 entries “check in” at the show.**

DRESS ATTIRE: *Professional attire is required for both men and women to wear suit, sports coat, jacket or blazer with slacks. A tie is required for men. A top with a traditional collar is preferred or crew neck with **high profile neckline** to be wore under a blazer for women.*

Exhibitors In The Big Money Futurity Must Qualify AND Abide By “WCHA Non Pro Rules”. A Non Pro Exhibitor has not shown, sold a horse for a third party, judged, trained or assisted in training a horse for remuneration, **including commissions**, nor received compensation for instructing another person in riding, training or showing a horse for 3 years previous to application for Non-pro membership. **Payment of entry fees and/or expenses** by anyone other than the Non-pro, his/her immediate family, or a corporation, partnership or other business entity in which the Non-pro and/or a member of his/her immediate family are the sole and only owner, shall be considered remuneration. A Non-pro cannot be an approved horse show judge for any association or have judged an open, 4-H or breed show for the past 36 months. **By entering every Non-pro exhibitor declares that they are in full compliance of WCHA Non-Pro requirements.** Violations will be grounds for forfeiture of all prizes, prize monies and of all fees paid and possible suspension from the association.

*** Youth Are Also Eligible To Compete As Non Pro’s, however they cannot show stallions one year or older !!!**

***** All Exhibitors AND Owners of each entry MUST BE MEMBERS OF WCHA**

By “entering these futurities” all participants (owners/trainers/exhibitors) agree to read and be bound by all terms and conditions set forth.

CLASS PROCEDURE

- A. Only the exhibitor and the horse are to be allowed to enter the alleyway according to the established draw or working order. There will be no trainers, parents or grooms with the exhibitor or horse once the exhibitor breaks the plane of the alleyway or in sight of judges if arena set up is allowable.
- B. Each exhibitor and horse must complete the prescribed pattern. The pattern is as follows: Horses will walk *straight* to the judge (*walk horse directly to judge*) one at a time. As the horse approaches, the judge will step to the right (left of the horse) to enable the horse *straight and to the trot to the right* of a cone placed approximately 30-50 feet away. At the cone, the horse will continue trotting, turn to the left and continue trotting until it reaches the next cone *which will be placed approximately 30-50 feet away*.
- C. In multi-judged shows, the judges may inspect as the horse enters at the walk, one judge will ask for the exhibitor to show the horse's teeth. All stallions and mares will be inspected for parrot mouth or monkey mouth. All stallions 2 years of age or older will be inspected for cryptorchidism.
- D. After trotting, horses will be lined up head to tail for individual inspection by the judge.
- E. Loose horse – Any horse that becomes detached from its handler and is no longer under control may be disqualified, however the rules of the event and decision of show management will take precedence. If the initial horse exhibiting poor mannerisms causes other exhibitors to lose their horse, only the initiating horse may be disqualified.
- F. Disruptive horse – Any horse that is disruptive, a danger to the exhibitor, other exhibitors or horses may be disqualified at the judge's discretion.
- G. Neurologic horse – If a horse is determined to have a neurological condition and is considered unsound, the horse may be disqualified at the judge's discretion.

EXHIBITOR PROCEDURE

- A. The exhibitor should track the HORSE directly to and away from the judge.
- B. The exhibitor should make every attempt to track the horse on the first track.
- C. The exhibitor should begin trotting after the judge/judges move to the right and continue trotting to the immediate right of the first cone, continue trotting and make a smooth left turn then *continue trotting to the next cone* which will be placed approximately 30-50 feet away.
- D. The exhibitor shall have a maximum of 3 attempts in order to execute the tracking segment of the class. If the exhibitor fails to execute the tracking segment in 3 attempts, the exhibitor will be excused and disqualified.
