

2022 Academic Scholarship Application/Instructions

For academic scholarship consideration, students must be a member of WCHA, a high school graduate (or apply within two years of graduation), pass a college entrance examination and provide three letters of reference and submit an essay explaining their educational plans and goals. This essay should specifically address how you feel your academic career will provide you with an opportunity to better serve the Halter Industry, either through a trade school or collegiate academic program. Applicants must provide a photograph and a signed release form in the event they are awarded a scholarship.

Once you have been granted a scholarship, you must maintain a “B” or 3.0 or better grade point average each academic year to be eligible for renewal.
